LB 585

those funds are involved with salaries, we use the same salary policy that we use for state employees in arriving at it, and if those entities appropriate or adjust salaries greater than that, it obviously comes out of the aid side of the funds that they would have available. And so that is the reason for putting it in there and I would move its adoption.

SPEAKER MARVEL: Motion is the adoption of the committee amendment as explained by Senator Warner. All those in favor of that amendment vote aye. Senator Newell, your light is still on. Do you wish to speak? All those in favor of that amendment vote aye, opposed no. We are voting on the first committee amendment to LB 585. We have five appropriation bills before us at this time. Have you all voted? Record.

CLERK: 25 ayes, 0 nays, Mr. President.

SPEAKER MARVEL: Motion is carried. The amendment is adopted. Now before we go to the next amendment, in the South balcony it is my privilege to present first of all from Senator Lamb's District 12 seventh and eighth grade students from Mason City School, Mason City, Nebraska, Gary Newman, teacher. Where are you located? Hold up your hand, will you please, so we can say good morning. And also in the same balcony from Senator Carsten's District 17 junior and senior high school students from Weeping Water School, Larry Hammons is the teacher and you are supposed to be in the South balcony. Where are you? Welcome. Okay. We are now working on appropriation bills which must be passed within the next few days so that the state has enough money to continue operation of government. Underneath the North balcony is a guest of Senator Kahle, also a neighbor, Mr. Wendel Muller from Gibbon, Nebraska. Where are you, sir? Will you stand so that we may say hello to you? Back in the corner. The Chair recognizes Senator Warner for the next amendment to LB 585.

CLERK: Mr. President, Senator Warner's amendments are on page 1699 in the Journal.

SENATOR WARNER: Mr. President, members of the Legislature, there are two sections to this committee amendment. The first one increases the anticipated federal funds for school lunch programs by \$100,000. It is just a reflection or revision of anticipated federal funds that should be available. The second amendment, there is no impact on general
